Marion Senior High School

THE MARION SENIOR HIGH SCHOOL is commissioned by the State Board of Education; is a member of the North Central Association of College and Secondary schools; and is accredited by Dartmouth College. In the United States there are no higher accrediting agencies than those mentioned.

Not including the Superintendent and the Supervisors of Music and Art, forty-one teachers, well trained and equipped for their work, are employed and one hundred sixty-seven recitations take place daily. About one hundred forty-two different courses are offered during the three years in the various departments. There are three vocational departments, Agriculture, Drafting and Printing. In any one of these courses, the students may make half the credits necessary for their graduation. The same thing is true of the commercial work offered. Three foreign languages, mathematics, history, English, art and science run through the entire three years. Music appreciation, harmony, glee club, chorus, string instruction, orchestra and band offer a variety of music seldom found in a high school. Dramatics, public speaking, home economics and athletics are offered to all students. Almost every department sponsors a student club. The shops and laboratories are well equipped and the library contains about five thousand volumes. The school prints its own weekly paper, *The Survey*, and issues an annual, *The Cactus*.

Marion Memorial Coliseum

On January 10, 1928, Marion dedicated the new Memorial Coliseum. This gift to youth, this tribute to the progress of America, has been fittingly dedicated to the country's soldier dead of all wars. The new fieldhouse and gymnasium was built at a cost of $160,000. It is one of the largest buildings of its kind in the state. It is generally conceded that, on the whole, Indiana surpasses all other states in this respect. The Coliseum has a capacity of five thousand. It combines a stage and cinder track with a regulation basketball floor. The day of the dedication was a gala day for Marion. School was dismissed early in the afternoon. The program of the afternoon, arranged by the outstanding patriotic organizations of the city, was as follows:

Concert by the Marion High School Concert Band of sixty-five pieces under the direction of Coloston R. Tuttle.

Presentation of colors by the local unit of the Indiana National Guard.

Invocation and devotionals by Mrs. Addie Winslow, state chaplain of the War Mothers.

Short talk, "The Patriotic Spark", by L. O. Chasey, of the Spanish American War Veterans.

Dedication address, Frank McHale, state commander of the American Legion.

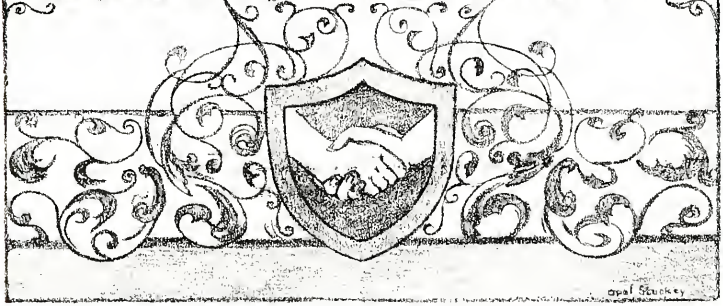
"The Star Spangled Banner", sung by Miss Cornelia Dungan.

Recessional of Colors.

In the evening the Giants met the Anderson Indians. The famous Giants of 1925-26 and the Wonder Five, along with a number of prominent men, were guests at the game.

Dedication

To the ideal of World Peace as a factor of education; and to the appreciation of the ideal as it has animated the Marion Public Schools, we, the Class of 1928, dedicate this book.



Foreword

The nations of the world can exist in harmony with other people only when the people of those nations strive for a peaceful and friendly relation. Through the education of our younger people bonds of sympathy, as well as an appreciative understanding, are created among nations.

Since the seeds of a nation are planted in the home and the school, it is our sincere belief that the education of our younger generation is one of the greatest steps toward World Peace. With this idea in mind we have prepared the theme for the 1928 Cactus.

School Executives

OUR SUPERINTENDENT OF SCHOOLS, Elbert E. Day, was born in 1882 at Markle, Indiana. He attended Marion Normal College, Indiana University and Columbia University. He has had a long and interesting career as an educator. His experience makes him exceedingly capable. Mr. Day first conceived the idea of a Field House for Marion over a year ago. Now this wonderful dream is realized in the Marion Memorial Coliseum—a community asset of which no other city can boast an equal. He inaugurated the present system of two Junior High Schools and one Senior High School which is proving so successful in actual practice. His outstanding characteristics are honesty and impartiality in all transactions. In return he is given the whole-hearted support and co-operation of the faculty and students in any enterprise. The scope and efficiency of the Marion Public School system has been greatly enhanced by Mr. Day. We are proud of our superintendent—and justly so.

Principal John Wesley Kendall was born in Miami County. He attended Indiana State Normal School and has an A. B. degree from Indiana University. His wonderful education is not a closed book; it is at instant command to aid others. He has had much valuable experience, as he was principal of the Peru (Indiana) High School before coming to Marion in 1920. Under his guidance the curriculum of our high school has been enhanced by the addition of various subjects necessary to gain entrance to most colleges. However, pupils who do not wish to go to college may have training in commercial and vocational work. Indeed Mr. Kendall cannot be too highly complimented for the manner in which he has held the position of chief executive of Marion High School.

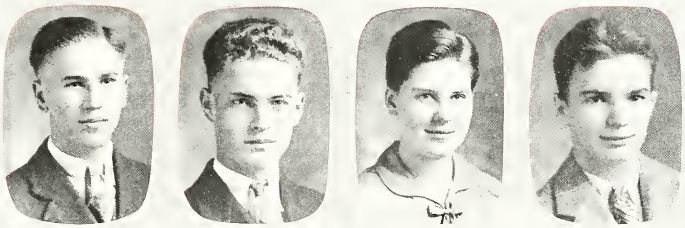
Senior Class Officers



Hamilton Anderson Pope Custer

FOUR YEARS AGO approximately one hundred and sixty boys and girls entered the portals of the Marion High School. They idolized the upperclassmen and hoped that some day that they, too, would be as dignified as those above them.

Their hopes have become a reality. Today they are members of the Senior Class of 1928. They can easily look down on the upperclassmen with a look of superior intelligence. It is their last year of high school life, but it is a year not one of the members will ever forget.

The Class Rings were chosen last year and were designed to suit the tastes of most Seniors. For the first time, a Senior Co-Ed Orchestra was organized, composed entirely of girls under the direction of Miss Maxine Garr. The Senior Orchestra, which has represented, musically, the Seniors for a number of years, again came into prominence this year with Ralph Cokain as director. The orchestra played for the Community Chest banquets held in March and on many other special occasions. Programs were also given before the students of the Junior and Senior High Schools. A Leap Year party held in February proved to be a jolly affair. Requirements for a "date" were simply reversed at this party, but as usual, the male of the species had to foot the financial side. The Senior Picnic was held in May. The sale of the Cactus was sponsored by the Seniors, who put it over the top in fine shape.

Officers of the Class of 1928 were: Joe Hamilton, President; James Anderson, Vice-President; Brenda Pope, Secretary; and Herbert Custer, Treasurer.

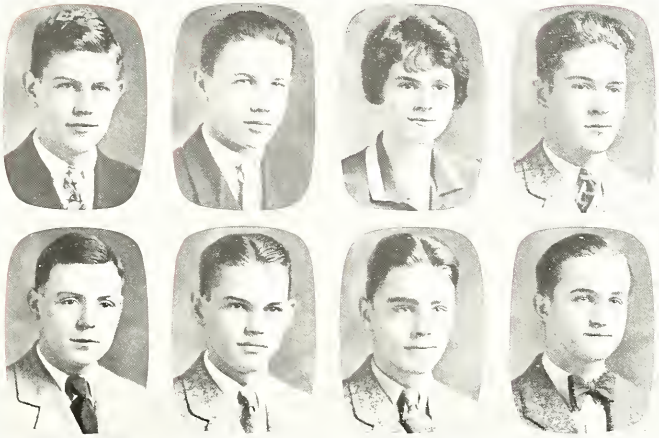
Underclassmen Officers



Kightlinger — Foland — Clawson — Stambaugh
Merritt — Aldrich — Bender — D. Knipple

Juniors

DURING THE school year of 1927-28 the Junior Class was outstanding in its support of school activities. The programs sponsored by the class were varied and interesting. In March the Juniors ordered their class rings, which are unusually attractive. The annual Junior picnic was held in May. The Juniors have studied hard, have zealously co-operated in school activities, and are well prepared to become the Seniors of 1929. Erle Kightlinger was chosen as President of the class. William Foland was elected Vice-President; Margaret Clawson, Secretary; and Milton Stambaugh, Treasurer.

Sophomores

SMALL, BUT mighty. That describes most faithfully the Sophomores. They have presented a number of programs before the general assembly and have taken an active part in all school activities. Their committees have always been well chosen; their parties and picnics have always been successful. This is only the third year in which the Sophomore class has been organized in Marion High School. The duties required in an organization and the co-operation needed have proven invaluable in the training of executives to carry on the responsibilities which are placed on the shoulders of upper classmen. Officers of the Sophomore Class were: John Merritt, President; Ralph Aldrich, Vice-President; Leffel Bender, Secretary; and Donald Knipple, Treasurer.

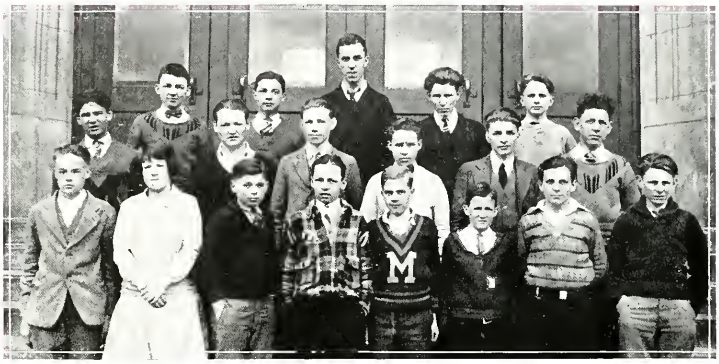
Our Freshmen



Bottom Row—Williams, Messmer, Sutton, Stewart, Weesner, Mills, McPherson, Embree.
Second Row—Green, Whitacre, Miller, Walton, E. Wagner, Henry.
Third Row—Blinn, Townsend, Southwick, B. Wagner, Moler.

NEARLY TWENTY STUDENTS composing the Freshman Class were enrolled from the Martin Boots and McCulloch Junior High Schools at the beginning of the second semester last January. These shy, self-conscious boys and girls wandered through the halls of M.H.S. shortly after their arrival so that they might become better acquainted with the atmosphere of their new surroundings. Later they met in the auditorium and received instructions as to the courses they might pursue.

The Freshmen received valuable advice from their upper classmen. They watched the big boys and girls and tried to do just as they did. The result was gratifying.

Now these same Freshmen are blooming into Sophomores and proud they are. No more will they have to bow to the will of their superiors, no more will they gaze with curiosity around the corridors: no more will they be shy and timid.

To make a good story come true, some day they will be Seniors. Then they will be sitting on top of the world. But alas! Their memories will carry them back to the days when they were Freshmen entering M.H.S. for the first time. It's nice to be Freshmen but, it's nicer to be upper classmen. So think the newcomers from Martin Boots and McCulloch.

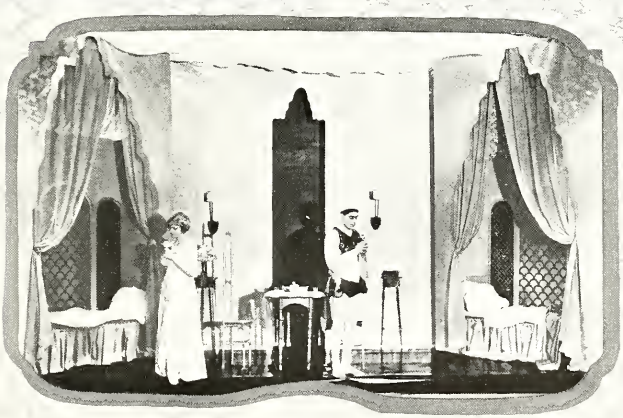
SENIOR CLASS OF 1928



"I don't want you to be sorry Cynthia It was all my fault
I don't want you to regret anything"—"Beggar On Horseback."

The Year's Review

THE COURSE IN DRAMA, listed as English 8, has been modified by Mr. Smith, during the past two years both to form and manner. In scope the course chiefly concerns itself with modern drama (with a bit of Shakespeare and Sheridan) and some of its recent tendencies and influences. Plays are studied as projects, and the presentations are entirely taken care of by the members of the classes. Scenery is constructed and painted, lighting planned and arranged, advertising managed and all details considered as actual class work.

During the current season the classes attempted to give the public an interesting and varied program of plays. For the first time tragedy was included in the list. *The Wild Westcotts*, by Anne Morrison, was the first offering of the year. A month later came *Trelawney of the Wells*, by Pinero, a satirical comedietta of the early sixties and performed by two casts. For the Open House program, the classes presented Martin Flavin's *The Death Watch of Caleb Stone*, a one act drama. *Why the Chimes Rang*, the annual Christmas play for our high school, afforded the classes an opportunity to work with the miracle play. The final production of the first semester was the mystery, *The Cat and the Canary*, by John Willard. The tragedy, *The Valiant*, by Hall and Middlemas, which placed second in the State Contest, was presented locally before two audiences. *Beggar on Horseback*, by Kaufman and Connelly, and *Tommy*, by Lindsay and Robinson, were selected for the second semester presentations. *Beggar on Horseback* with its twenty scenes, its array of snappy characters and its strange expressionistic movement, proved an excellent innovation. It was easily the best and most popular play the classes have used. As a class vehicle, it made use of many ideas in stagecraft. The final weeks of the semester were devoted to the study of certain one acts, with experimental staging of O'Neill's *Where the Cross is Made* and Flanner's *Mansions*.

The year's work brought out several very capable leads that the public will not soon forget. The seven leads of the *Beggar on Horseback* were especially well taken. Tom Hardesty, as the whimsical Neil will long be remembered for his charm in acting as well as his excellent piano work. Fairy Rinehart was a lovely Cynthia, perhaps even more lovely than as Rose Trelawney in the Pinero play. Joe Hamilton, Cleoda Gray, Bettie Nussbaum, Ralph Harreld, and Phil Hutchins vividly set forth the character parts in a most satisfactory manner. Bob Roberts had the task of engineering the action of the groups through in speedy style. In the pantomime the extreme of loveliness was found with the beauty of setting and costume and the dancing of Crystal Brandon and Dragoo Botkin. The stage crew handled the twenty scenes easily and rapidly. Expressionistic sets were new to Marion, but the audience soon reacted and proceeded to participate in the show in the desired way.

The Latin Club

Second Row—Botkin, Isslehardt, Grant, Hall, Neal, McVey, Day, Cramer, Duncan, Broughman.
Third Row—Gindle, Veach, Penrod, Nesbit, Bahr, Jones, Willen, Livengood, Myers, Glasser.

Fifth Row—McMillan, Conn, Kightlinger, Straughn, Osborne, Williams, Dennison, Flemming.

THE LATIN CLUB is the oldest departmental club in high school. Its membership consists of those students, who, having passed through the mental torture of three semesters of Latin, are still interested in the opportunity for further study of the life, customs and language of the Roman people. The meetings, which are held three times each semester, combine business, instruction and entertainment and refreshment in a manner that would please both the frivolous and serious of the eternal city itself. As a result, the members of the Club probably know more about the Romans than the Romans did themselves.

It is the tendency for most people to overwork. In order to avoid this, the Club has found it necessary to have two advisors, who prevent nervous breakdowns and caution the ambitious students from excluding their own language in preference to Latin. The advisors who have so diligently watched over the Club are Miss Neal and Miss French.

The executive power is vested in two consuls, who, in accordance with the Roman government, alternately preside at the meetings. The consuls for the school year of 1927 and 1928 were Jane Rhue and Robert Newell. Herbert Custer and Mildred Holt were the Quaestors, while Miriam Bahr, Louise Modlin and Erle Kightlinger were the Aediles.

LE CERCLE FRANCAIS, known to those not in the parlez-vous class as the French Club, is one of the most interesting of all organizations in Marion High School. Its membership is composed of those students who have labored through one year of French with a grade of eighty-five or above and are now efficient enough to distinguish parfum de Houbigant from un chauffeur. The Club has adopted as its motto "Aide-toi, le ciel t'aidera" which, in English, is indicative of the expression: "Heaven helps those who help themselves." The Club was organized for the purpose of creating and maintaining a higher appreciation of French and to promote an interest in all things French.

Meetings are held the fourth Thursday of each month. French is usually the prevailing form of discourse requiring as it does, many shrugs and gestures; but is generally understood that any mistake the aspiring members may make will not be used against them.

Miss Covalt is the advisor of the Club. She runs to the rescue when students engaged in conversation in French become tangled and she is ever-ready to help them. The Club's biggest event is the annual picnic held each year in May.

Officers for the school year of 1927-28 were: Miriam Bahr, President; Analdean Watson, Vice-President; Mary Prickett, Secretary and Treasurer; and Gail Ferguson, Reporter. There were twenty-eight members.

WITH SO much trouble brewing in Nicaraugua and so many beautiful senoritas and handsome senors in Spain, it is only logical that one should pursue the Spanish language. Accordingly, a plan was devised whereby some of the ambitious boys and girls of Marion High School could learn to speak this interesting language fluently.

Soon many students became acquainted with Spanish. And then, to their surprise, they discovered that their vocabulary would have to be increased so the Spanish Club was organized with Miss Wortman and Miss Porter acting as advisors. They decided to let any student become a member if he was making eighty-five percent or above. A goodly number of boys and girls were eligible to join. A clause was added to the requirements which provided that after one had completed his Spanish course he could continue his membership provided he was a member when he completed the course.

The Spanish Club met twice each month during the school year—a business meeting the first Tuesday and a party the third Tuesday of the month. For fun and jollity, these parties were the last word. Something dealing with Spanish was always a part of the program, from serenading beautiful senoritas to staging successful bull fights without the bull. No one was injured in the thrilling encounters.

The officers for 1927-28 were: Edna Wood, President; Ralph Blakemore, Vice-President; and Margaret Gregg, Secretary and Treasurer.

The Agriculture Club

"The farmer feeds them all."

THIS MOTTO, which is not only appropriate, but bears truth, has been adopted by the members of the Agricultural Club. This organization is now in its eighth year with the largest enrollment in its history. The purpose of the Club is to promote summer project work, to comply with the State Agricultural program and to get a gold seal on the Agricultural Chart. The Club is sponsored by the American Vocational Association of the United States and Canada for promoting different phases of this kind of work. Only those who are members of the Agricultural Department and who carry a farm project of some kind are eligible for membership.

Under the supervision of Otis Crane, Agricultural teacher, the Club has assumed control of an orchard on Wabash Pike to be used as a club project. In this way the boys have an opportunity to assist in the garden and orchard work. Experiments on the school farm include work with poultry, bees and fur bearing rabbits. Numerous trips to various farms and orchards in the county have proven very beneficial to the Club.

The officers for the past year were: Herbert Blinn, President; Thurman Hawkins, Vice-President; and Floyd Stewart, Secretary and Treasurer.

The Art Club

Bottom Row—Houser, Garr, Holland, Flinn, Cain, Brunka, Oliver, Warfel, Hendey.
Second Row—Miller, Mott, Swartz, Barley, Garner, Howell, Carr, Russell, Stuckey, Wolfe, Lowder, King, Scott.
Third Row—Carey, Hanmore, Cleveland, Welsh, Wood.

THE ART CLUB represents one of the strongest departments in Marion High School—the Art Department. It was organized in order that its members might better increase their pleasure and appreciation of the truly beautiful: to use their time to any activities which contribute to the cause of art in the home, school and to interest students in the Art Department in order that they in turn might interest others.

As a slogan, the Club has adopted "Art—here and everywhere." This in itself can be said to represent faithfully the purpose of its organization.

The Club has gained much valuable information from trips made to several art institutions; namely, the John Herron Art Institute and the Stafford Engraving Company. Combined with this, the members attended a lecture by Lorado Taft, famous sculptor, at Kokomo and this was an interesting bit of information to every member. In the exhibits held here representing the John Herron Art Institute and George Randolph Coats, the Art Department has played a prominent part.

Miss Grace Cleveland, art supervisor, has guided the club through all its trials and difficulties. All members of the Art Department are eligible for membership to the Club, provided they make an average of eighty-five per cent in art and contribute to various projects when called upon to do so.

In connection with the Art Club a Craft Club has been organized. Its purpose is to promote the students' interest in the various crafts—textile painting, basketry, illuminated lettering, tooled leather and show cards.

Officers of the Art Club for the school year of 1927-28 were Berniece Oliver, President; Opal Stuckey, Vice-President; Uva Nondas Wolfe, Secretary; and Onar Mott, Treasurer.

Penmanship Certificate Winners

Bottom Row—Rose, Albright, Doty, Russell, Fouse, Ford.
Second Row—Veach, E. Daugherty, M. Daugherty, Weicht, Flinn, Thompson, David, Christman.
Third Row—Duke, Culbertson, Troyer, Savesky, Howell, Klain, Cole.

EACH YEAR Penmanship specimens are submitted for inspection to the American Penman, a magazine devoted to correct writing, by pupils of the Penmanship Class under supervision of M. S Cole, commericial teacher. To the students whose specimens pass this inspection and who have become proficient in a rapid muscular writing, an American Certificate of Proficiency is issued.

In this year's classes, there were twenty-six winners out of a class of forty penmanship students. With an increase each year it is certain that the class will soon consist of many expert penman with every one receiving the certificate.

Every year a commercial contest including typewriting, shorthand, penmanship and bookkeeping is held for Commercial students all over the state. The first tryouts are held in the district. In these tryouts Marion students have the privilege of contesting in their own school. The winner or winners in the district contest then go to Muncie to enter the State Contest. The winners in the State Contest receive awards. In the District Contest Marion scored seventy-seven points out of a possible eighty-seven, thus winning the contest.

Penmanship Certificates for 1927-28 were: Robert Duke, Ladd Culbertson, Lawrence Troyer, Julian Savesky, Ruth Howell, Jason Klain, Leona Rose, Mary Albright, Gathel Doty, Harriett Russel, Orpha Ford, Lola Fouce, Helen Veach, Byrel Daugherty, Meriam Daugherty, Vivian Weicht, Mildred Flinn, Bernice Thompson, Ruth David, Wilma Christman, Ruth Kaylar, Mary Stebbins, Mabel Rosenthal, Laura Mulberry, Lois Lloyd and Wilma Powell.

The Zonta Club

THE ZONTA CLUB of Girl Reserves is one of the few clubs that fulfills its promise of high ideals and usefulness. Its purpose is to promote comradeship among the girls of Marion High School; to develope the social, physical, mental and spiritual sides of life; to make the club a force for the promotion of higher ideals; and to render helpful service to others. Its code, arranged so that the letters of the first world of each line spell "Girl Reserves", is one to which the members closely adhere.

Any girl may belong to the Zonta Club. She must be recognized to become a member; that is she must have been taken in at a recognition service. She must know the code, slogan, and purpose, and express her intention of keeping these standards as a goal which she should always strive to reach.

The officers are Brenda Pope, President; Josephine Hardy, Vice-President; Mariam Bahr Secretary; and Louise Modlin, Treasurer. Committee Chairmen: Kathryn Dawson, Publicity; Mary Alice Caldwell, Finance; Maxine Garr, Social; Margaret Clawson, Program; Mabel Sutton, Service; and Darlene Norman, Rings. The Hi-Y Club

Bottom Row—Harreld, Hamilton, Jarvis, Callahan, Hutchins, J. Harreld, Anderson, Kuhnlein, Brunka. Second Row—Osborne, Hardy, Foland, Barnes, Paynter, Blakemore, Moore, Hildebrand, Coats, Landgrave. Third Row—Bowser, Custer, Stewart, Newell, Watson, Sixt, Bausman, Gemmill, Hardesty, Hamilton. Fourth Row—Duke, Pierce, Thompson, Foland, Smith, Coffman, Hines, Hutton, Charles.

THE HI-Y CLUB is the plus-ultra peppy organization of Marion High School. Although it is a very unusual club, it has some very ordinary features. Its purpose is "to creatte, maintain and extend throughout the school and community high standards of Christian character." Its ambition is "to make and keep clean-cut Christian manhood popular in Marion High School." Such an infinite undertaking proves that the club realized the extent of reformation needed.

The Hi-Y is the most active of all clubs and its activities are most varied. It has co-operation with the Girl Reserves in a number of ways, undertaking as it did, an outstanding project in which the two clubs presented two one-act plays in the high school auditorium March 23rd. A Father and Son banquet was held last semester and a Faculty Banquet and Mother and Son Banquet were held this semester. The club meets every other week. Members of the local club attend the State Older Boys Convntion held each year at different cities throughout Indiana.

Officers for the first semester were: Hunter Stewart, President; James Anderson, Vice-President; Edwin Charles, Secretary; Herbert Custer, Treasurer. Officers for the second semester were: James Anderson, President; Earl Watson, Vice-President; William Coffman, Secretary; Floyd Pierce, Treasurer. Mr. Verl V. Smith and Mr M. D. Foland are the advisors of the club.

Latin Contestants

Bottom Row—Broughman, Holt, Clawson, Hendricks, Tukey.
Second Row—Davis, Rhorer, Mang, Moore, Stewart.

MARION HIGH SCHOOL'S LATIN DEPARTMENT won for itself and the school unsurpassed honor in the field of Latin celebrities when represented by Stewart in the recent State Contest. Earning his right to represent his division by winning first in the Local County and District Contests, he won FIRST in the State Contest at Bloomington.

Hunter Stewart

Marion's local winners were: Division 1A—William Rhorer, first; Wilbur Moore, second. Division 1B—William Mang, first; George Davis, second. Division II—Susan Tukey, first; Mary Broughman, second. Division III—Margaret Clawson, first; Mildred Holt, second. Division IV—Hunter Stewart, first; Agnes Hendricks, second. These winners represented Marion in the County Contest where all but second place in Divisions 1B and II were won by Marion. The eight survivors won one first, two seconds, and three thirds in the District.

Each year, during her five years of entering the contest, Marion High School has established a record worthy of much pride. In 1924 Marion won two "firsts" in the District but did not place in the State. In 1925 Emily Price and Tom Butz achieved first in the State. In 1926 Margaret Clawson, Donnave Myers, and Hunter Stewart won first places in the District and Hunter Stewart attained third in the State. In 1927 Herbert Reece and Roger Rhorer placed first in the District, winning their entry into the State Contest, where Herbert Reece won second and Roger Rhorer won third in their respective divisions. This year Hunter Stewart was the only one winning first in the District. He made the "perfection" grade of one hundred per cent—an enviable record without precedent.

Band

NOT A HIGH SCHOOL anywhere in the United States is taking a greater interest in music than Marion. The concert band is ample proof of this statement. Ever since a band department has been organized in Marion High School, each year has brought a bigger and better organization until now our band is among the best in the United States. In May, 1927, the members journeyed to Elkhart, Indiana, where they won the State Championship, with Emerson and Froebel High Schools of Gary winning second and third places respectively. The judges for this contest were: Mr. H. A. Vandercook, eminent cornet instructor and composer of Chicago; Mr. Harold Bachman, conductor of Bachman's Million Dollar Band; and Mr. Hugo Fox, first bassoonist of the Chicago Symphony Orchestra. At the National Band Contest held in Council Bluffs, Iowa, May 27th and 28th, Marion placed seventh.

This year the band has been considerably enlarged in instrumentation. Last year there were approximately fifty-five members; this year seventy-six members comprise its personnel. There is no band in the state of Indiana that can boast the reputation Marion has gained during the last year. Under the direction of Coloston R. Tuttle, the band has won a high place in music.

The band's required number for the state contest this year was "Finlandia", by Sibelius. Each band has the privilege of selecting its own selection for the second contest number. The Marion band chose the "Second Hungarian Rhapsody," by Franz Liszt. These were by far two of the most difficult numbers ever played for a contest and were ably mastered by the band.

The sectional contest was held in the local high school auditorium, April 28th. The bands surviving this ordeal were eligible to enter the State Contest, which was held at Muncie, May 5th.

Orchestra

Bottom Row—Hart, Phillips, Carey, Stride, Nussbaum, White, Lemon, Middaugh, Foster, Pontius, Molley, Redman, Wilkinson, Haner.
Second Row—Caine, Wilcox, Pence, Bole, Coan, McPherson, Hiatt, Miller.
Third Row—Grant, Rinehart, Motsch, Jones, Carey, Anthony, Kendall.
Fourth Row—Harmon, Hines, Connelly, Ganz, Thomas, Hardesty, Hildebrand, Brunka.
Fifth Row—Kennedy, Seacat, Harreld, White, Davidson, Willen, Carey, Planck.

THIS YEAR for the first time a concert orchestra has been organized in Marion High School by Lloyd DaCosta Jones, teacher of stringed instruments. Previous to this year the orchestra has not had an important place in the curriculum, but now it is regarded as one of the foremost musical organizations in Marion High School.

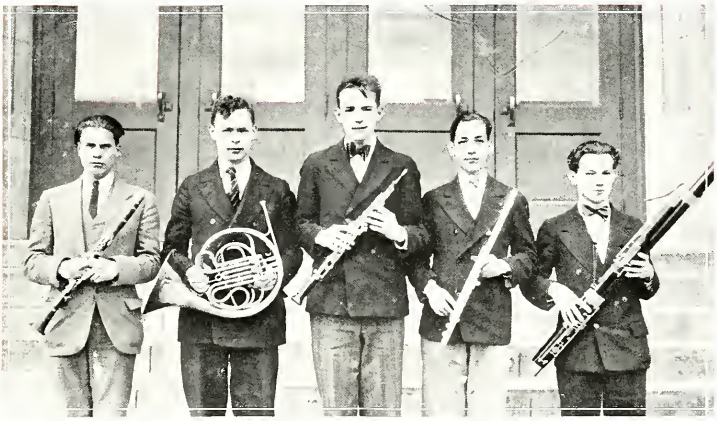
Lloyd DaCosta Jones, director, began his position as instructor of stringed instruments last September. He has had a thorough education at two famous musical schools in Ohio. He was also a pupil of the great Belgian violinist, Ysaye. His excellent ability and experience has made him a capable teacher, and Marion High School is proud to have him as an addition to the personnel of the music department.

Although the orchestra has never played on any special occasions, a string nonnette was made up of the stringed instruments, consisting of four violins, violas, two cellos and one string bass. The entire orchestra is made up of forty-eight members.

With no competition, it entered the Inter-sectional Musical Contest. It was also entered in the State Contest held at Muncie.

If the orchestra improves as rapidly as the band and we are quite sure it will, Marion High School will have, in the next few years a state championship musical organization.

The Woodwind Quintet



Leonard, Hildebrand, Carey, Kendall, Haner.

THE MARION HIGH SCHOOL WOODWIND QUINTET is thought to be the only organized high school quintet in the United States. It was organized in October (1927) and has since appeared in concert at various places in the State. On October 28th, the Quintet played before the Indiana State Teachers Confederation at Indianapolis. They have appeared several times before the student body and have entertained the Lions, Rotarians and Kiwanians at their noon luncheons. Their concert at Terre Haute was given at the Woodrow Wilson Junior High School of that city. More than two thousand people were in the audience. On their return trip the Quintet was entertained at Indianapolis by Charley Davis, master of ceremonies and leader of the Stage Band at the Indiana Theatre.

The personnel of the Quintet is as follows:

Milburn Carey	Oboe
John Haner	Bassoon
Tom Kendall	Flute
Will Hildebrand	French Horn
Eugene Leonard	Clarinet

The repertoire of the Quintet includes: "Morning" from Peer Gynt Suite, by Edward Grieg; "Quintet" by Max Heim; "Badinage" by Victor Herbert; "Serenade D'Amour" by Von Blon. Most of the pieces were manuscript copies from the woodwind section of the Chicago Symphony Orchestra.

The Gypsy Rover

THE GYPSY ROVER, a popular musical comedy, was presented by the Marion High School Glee Clubs, April 27th. The annual operetta, a definite part of the school year's schedule, is looked forward to with interest by the students, as it offers something different from the average production. The outstanding feature of the production was the exceptional loveliness of the tone quality developed by Miss Wise.

The play is in three acts and is built around the character of Rob, later known as Sir Gilbert Howe, of English nobility. Robert is stolen when an infant by his nurse, Meg, who later becomes the wife of Marto, a gypsy. Rob grows to manhood among the gypsies believing Meg and Marto to be his parents. His love affair with Lady Constance Martendale, and the jealously of Lord Craven, makes an interesting plot spiced with properly injected comicalities and lovely music.

All members of the cast interpreted their respective parts in an excellent manner. Roger Kiley deserves mention for his capable performance, as well as Lucille Moore, Ellen Houser and Herman Knetzer in the quality of their parts.

To everyone who saw "The Gypsy Rover" it was a play that not only afforded a large degree of entertainment and enjoyment, but one which created in the imagination of the spectator a bit of curiosity concerning its impressionistic stage settings.

WITH THE first call of the gridiron last fall fifty Marion High School men assembled to join the purple and gold army. Lewis Miller, veteran center, captained the varsity from this position and Gilbert Sullivan filled the place of quarterback. An outstanding appearance of the squad was the lightness of both line and backfield. However the team proved that such a physical quality was no hinderance.

After an intersquad scrimmage (the previous day,) the entire Giant group journeyed to Peru for their first game. There the Thomas recruits overwhelmed the Circus City eleven to the tune of 31 to 0 and returned to Marion with their slogan as "Mash Mishawaka." The "mash did not occur, but no less credit was due the Giants as they held the strong Mishawaka team to a 6-6 tie in their first conference game. Marion's touchdown was the result of a 48-yard Stickann sprint.

Miller Green

A week later the giants suffered their first defeat and the worst defeat of the season when the Kokomo Kats trampled them in the mud of Exposition Park Field 25-0. Another defeat resulted from the invasion of the Elwood Tinplaters, the leaders of the "Big Ten." The game ended 27 to 13.

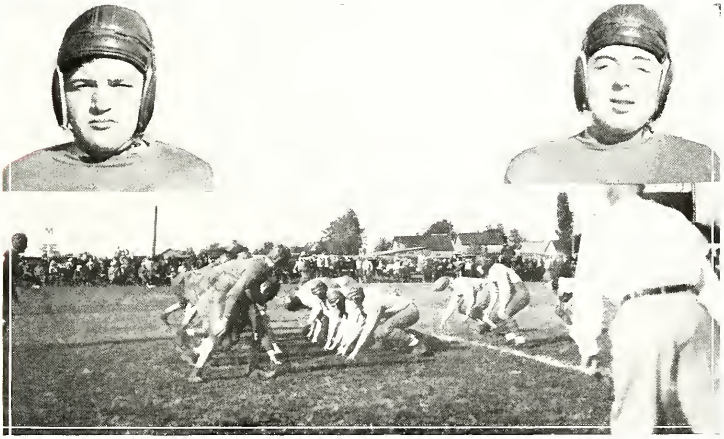
Stambaugh Sullivan

Stickann Roberts

The third and final defeat came from the Muncie Bearcats who returned victorious to Deleware County with a score of 19-7 in their favor.

In the face of three defeats, the purple and gold warriors invaded Knightstown with determination for a comeback. The result soon became a 39-0 victory to their credit.

Kuhn Spencer



Hamilton Casey

A tragedy occurred ten days later when the battered Thorntown eleven were downed by Marion, 61 to 18. Morton of Richmond proved the next victim. The Giants met and outplayed the Red Devils on Reed Field by a score of 18 to 7.

The season closed on November 11, M.H.S. Homecoming Day, when the

Giants before a large group of their loyal Alumni and backers downed their ancient rivals, the Wabash Hillclimbers, 12 to 7.

The men who received "M" sweaters were Miller, Sullivan, Stickann, Bollet, Custer, Isselhardt, Carl, Stambaugh, Knipple, Hamilton, Spencer, Duke, Roberts, Kuhn, Casey and Green.

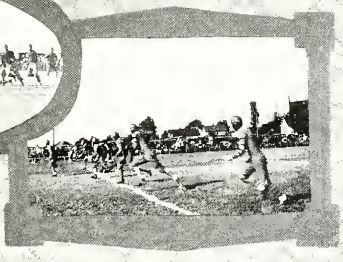
IN MARION HIGH SCHOOL when a man has competed in a certain number of football or basketball games or won a certain number of points in track for his school, he is awarded the coveted "M" sweater of Marion High by the school. This "M" gives him the elegibility for membership in the well known club of former and present Marion High School athletes, the "M" Club.

The prime purpose of the Club is to encourage and keep the athletics of M.H.S. to the high school standard of the highest ideals in all sports and intense opposition to either professionalism or foul play. It is the members of this loyal organization who, from the sidelines of every contest, are vigorously supporting their Alma Mater.

The Club was organized seven years ago by former M.H.S. athletes who believed that they could better lend support to the school's athletics as an organized group. Allen G. Messick, local attorney and one of the best known of the former defenders of the purple and gold pigskin, was the Club's first President.

Last year the Club attempted an arrangement so as to gice each graduating "M" man a small gold "M". Samples of the initial were ordered and it was hoped by the members that their choice could be supplied in time for presentation at this years commencement.

The officers of the "M" Club this year are George M. Coon, President; J. Blaine Long, Vice-President; Mark Hinkle, Secretary; and Clarence Thomas, Treasurer.



GIANTS
OF THE GRIDIRON

Varsity Basketball

WHEN KING BASKETBALL ascended his throne, November 18, for the Giant's 1927-28 season, he took as his ruling Queen, Lady Fate.

A new system was adopted in Marion High School this year for team organization by Coach Thomas. The system included three school teams: the varsity, which was called "A" team and which was under the direction of Coach Thomas; "B" team, which took the place of the heretofore second team, under Coach Pribble; and a "C" or Freshman team composed of freshmen from the Junior High Schools under Coach Jacobson of the McCulloch school.

The "A" team men who fought through the season loyally for the purple and gold and who received the coveted "M" sweaters were Kuhnhein, who came to Marion this year from the ranks of the Anderson Indians, Stickann, Aldrich, Nall, McBride, Sullivan, Yunker, Payntor, Carl and Kilgour.

It was with satisfaction to all Marion that the first game of 1928 was the climax of the grand dedication of the Memorial Coliseum, the new home of the Giants of both basketball and track. The result of this game was a hard-fought victory to the Anderson Indians, 35 to 25.

Prior to the opening of the new field house, Marion had been defeated by Winchester in their opening game, Columbia City, Central and South Side of Fort Wayne, Greenfield, Vincennes and Kokomo. The last of these did not remain long unavenged. The home games among these were played on the Civic Hall floor.

The second game on the new floor came on a Friday, the 13th. Devoid of all superstitions, this ill omen proved no handicap to the Giants making the Bedford Stonecutters stall the final three minutes for a 40-36 victory.

Revenge was gotten by the Thomasmen from the Kokomo Kats in the following game. The result of this spectacular and speedy battle was 22-21 and the first victory of the season for the Giants was in order.

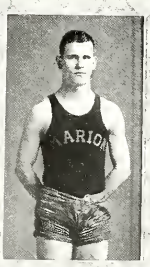
Another victory for M.H.S. resulted in the Huntington Vikings leaving Memorial Coliseum beaten 43-36. The remainder of the games played during the season ended as Giant defeats. They included Frankfort, Connersville, Martinsville, Anderson and Muncie.

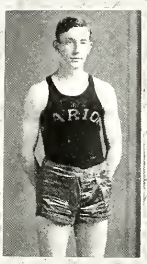
Sectional Tournament

By three successive victories over Matthews, Jonesboro and Gas City, the '27-'28 Giants became the Marion Sectional Champions in the first tourney to grace the new gym and one of the best tourneys Grant County has ever witnessed.

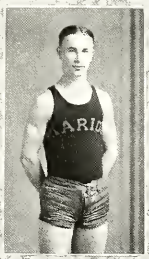
Regional Tournament

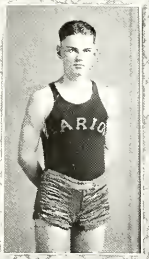
The four teams in the Marion regional were Sharpsville, Delphi, Dunkirk and Marion. In the first game of the tournament Delphi defeated the Giants and in the third and last, gained her entrance to the state tournament at the Butler field house, Indianapolis, by eliminating Sharpsville.





THE
GIANTS
1927-28





"B" Team

COACH CLIFFORD PRIBBLE directed the second varsity, the "B" team, this year. Nine of the twenty scheduled games played during the season became victories for Marion High School.

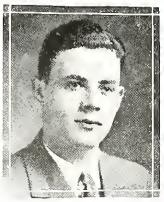
During the season this second squad served as a training camp for the varsity under Coach Thomas. Six of the ten men who were qualified in the regional and who were later named M men had seen service on the B team during some part of the season. Due to this system, Coach Pribble lost his entire lineup about the middle of the season when they were advanced to the front ranks of the Thomasmen. His reserves however filled their places and played a quality of basketball that few second teams on their schedule could equal.

At the Frankfort second team invitational tournament, Marion was defeated by Frankfort, the eventual winner of the tourney, in her first game.

Pribble (coach), D. Knipple, Merritt, Shearer, Hoffar, Kuhn, Keese, Price, Isselhardt, Rosenthal.

"C" Team

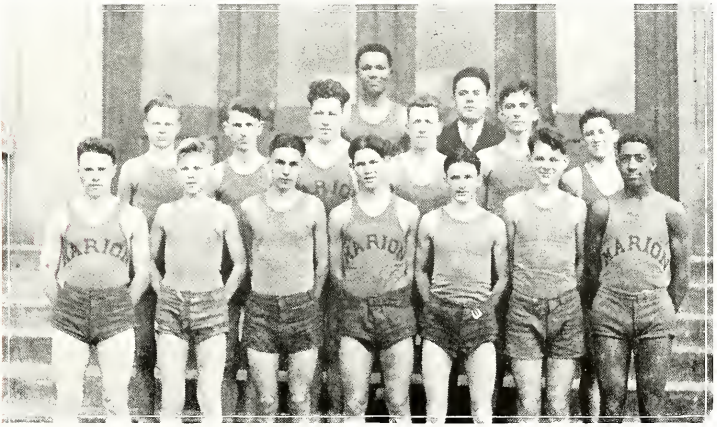
"C" TEAM was organized this year to include freshmen from all Marion schools and was placed under the direction of Coach Rolland Jacobson of McCulloch Junior High School.



The result was remarkable in that throughout the season but three of the sixteen scheduled games were lost. The ultimate result will undobtedly prove that the addition of such a team will benefit future hardwood varsities of M.H.S.

The little team opened the season November 26th with a 29-20 win over Fortville and continued to win until their sixth game. Liberty Center won this encounter 24-19. In the return game, Marion was again defeated by this team 27-26. The only other loss that the "C"s suffered was at the hands of Hartford City who defeated the Freshmen crew 25-24.

Coach Jacobson is to be commended on his work with this team. Throughout the season the team work of the boys was outstanding as was the spirit and fight that was displayed in every game. This early training will be of infinite value to future varsities.



Bottom Row—Stevens, Reed, Reynolds, Green, Moore, Officer, Casey.
Second Row—Venis, Phillips, Bevans, Dickens, Street, Hutchison.
Third Row—Jones, Jacobson.

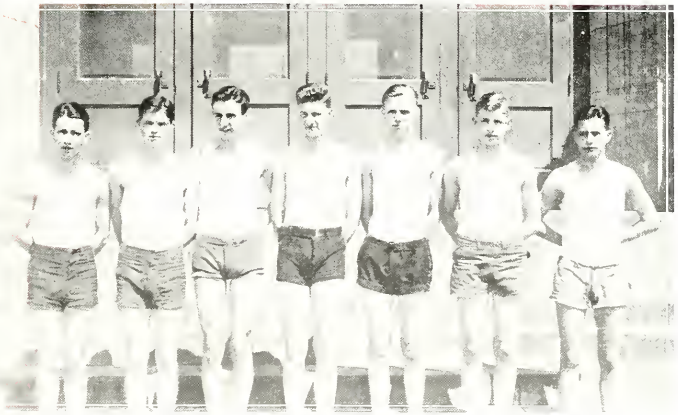
Intramural Champions



Mickel, Vice, Bibler, Barnes, Moore, Laughlin, Cousins.

THE HIGH SCHOOL INTRAMURAL BASKETBALL LEAGUE was organized again this year by Coach Thomas and placed under the management of V. V. Smith. The purpose of the league was to give physical training and athletic sportsmanship to boys not on the varsity with the possibility of some of them becoming Giants of the future.

Any team organized by and composed of high school students was eligible for entrance to the league. Thirteen teams were organized and were placed into leagues and games scheduled between the members of each by Coach Thomas.

The teams in the first league according to their final standing were the Artesians, first; Bears and the Ramblers tied for second; Doo-Dads, Meteors and Bull Dogs.

The Wampus Cats led the second league. The standing of the remaining six teams were Black Cats, second; Trig Sharx, Miller Specials, Blue Devils, Dwarfs and the Forget-Me-Nots.

In the final game for League Championship the Artesians outshot the Wampus Cats 44-20. The Artesian Team was composed of Michaels, Barnes, Vice, Laughlin, Bibler, Cousins and Moore. As League Champions they were presented with medals by the school.

Track

COACH PRIBBLE'S purple and gold thinlyclads comprising the 1928 track squad of Marion High School made their first appearance April 4th at a triangular meet at Elwood between that city, Tipton and the representatives of M.H.S. Throughout the meet Marion's ever-increasing number of points kept her in the lead by a good margin and the meet ended Marion, 57; Elwood, 28; Tipton, 14. Both Marion relay teams won their respective events.

Next came a dual meet on Memorial Field with Central of Fort Wayne. In the face of a hard-driving West wind, the Giants of the Cinder Track again scored a walkaway. The totals showed Marion 61 to Central's 20. Due to the wind the high hurdles, pole vault, and both relays were omitted.

After a postponement from the previous Saturday, the County Track Meet was held Tuesday, April 24th, at Memorial Field. Marion won the meet 51 1/3 over Fairmounts total of 20 2/3. The other schools participating and their respective points were: Swayzee, 17 and Jonesboro, 10. Both M.H.S. relay teams became County Champions.

In the century dash Marion's entrants were Stickann and Bollet and in the 220 these two and Stambaugh. Duke competed in the 440 and Aldrich represented Marion in both the mile and the half mile. In the high and low hurdles Isselhardt and Carl placed respectively. In the field events the purple and gold Giants who made points were: Broad jump, Stickann and D. Knipple; high jump, Foland and D. Knipple; and in the shot put, H. Knipple and Stickann. Price showed up well, but was defeated in the pole vault. Stickann broke the County records in both the 100 and 220 dashes and K. Carl lowered the time on the low hurdles. Kilgore of Swayzee broke the County record on the pole vault.

An invitational meet was held at Kokomo with the Red and Blue Kats and other teams. The District Meet was held in Memorial Field, May 12th.

Kokomo won the meet with 35½ points and Marion placed fourth with 14. Technical of Indianapolis totaled 27 points for second place and Anderson was third with 18 1/3 points. There were about sixteen other schools represented. Marion's half mile relay composed of Bollet, Carl, Stambaugh and Stickann placed first over Technical and Elwood. In the century dash Stickann tied with Kutchback for second place, Oden of Kokomo won the event and tied the state record with his time of ten seconds even. H. Knipple placed second in the shot put and K. Carl finished third in the low hurdles.

The sectional track meet was held on Memorial Field, May 12th.

Tennis Team

THE HIGH SCHOOL TENNIS TEAMS were organized this year under the direction of Mr. W. J. Tucker. Floyd Swathwood was appointed student manager of both the boys and the girls team. The boys team was made up of new material as far as high school tennis was concerned while the framework of the girls team were veterans of the clay court.

The schedule of meets arranged for were—April 21, Huntington, there; April 28, Kokomo, here; May 4, Central of Fort Wayne (both boys and girls), there; May 5, Huntington, here; May 9, Bluffton, here; May 11, S.S. Fort Wayne (both boys and girls), there; May 19, Bluffton, there; May 23, Kokomo, there; May 25, S.S. Fort Wayne (both boys and girls), here; May 26 Central of Fort Wayne (both boys and girls), here.

Through the courtesy of Robert Spencer, Jr. the high school leased five tennis courts over by the hospital. These were put into playing condition by the high school with the consideration that these courts be reserved for the high school during the season. Excellent equipment was purchased for the use of both teams.

Members of the boys' team were: Curtis Payntor, Dwight Hutchison, Fred Seegar, Leffel Bender, Maurice Darter, Ed Flannigan and Bob Smith. The girls comprising the girls' team were: Brenda Pope, Dorothy Gannett, Arma Curfman, Mary Broughman and Catherine Albright.

A cross in Flander's field—
A mother's tears—
A broken heart to carry
Down the years.

An unknown soldier's grave—
And someone's sigh—
What had he done to men
That he should die?

What sane mind could conceive
What tongue could tell
Of horror such as this—
A man-made hell!

The specter crosses white
Shall be no more.
When understanding rules
On every shore.

When men of different blood
Shall hating cease.
And seal their friendship bond
In world-wide peace.

Reunion of the Class of '28

PLACE—The banquet hall (formerly the gymnasium) of Marion High School.

Time—May 22, 1953.

Occasion—Reunion of the graduating class of 1928.

Joe Hamilton—Fellow classmates, tonight it is just twenty-five years since we graduated from this high school. Many changes have taken place since then. Our old gym has become this splendid banquet hall. Some of our children are now graduates of this school. We have traveled far down the road of life. Our paths have led into far countries and we have traversed many lands. Some of us have risen to the ranks of the famous. To me it seems most fitting that each beloved classmate should tell something of his life since that time. I shall call first upon Will Hildebrand who is at my right and we will proceed thus around the table.

Will Hildebrand—It is, indeed, a great pleasure to be again among the comrades of my boyhood days. Often as I sit at my desk in Washington performing my duties as President of the United States, my thoughts wander back to dear old M.H.S. My life has been that of a politician. When that is said, all is said.

Mrs. Will Hildebrand (Ruth Fenstermaker)—I am just the wife of the President.

Ralph Cokain—As I think back to those years in high school, and remember my dreams of that far day, I recall how hopelessly distant seemed the goal which I had set for myself. A "Castle in Spain" has become a reality. I consider it a great honor to be esteemed America's leading playwright. Some of the members of this class are tonight presenting on Broadway my latest play "Adam Cuts An Orange." Lewis Miller plays the part of Adam; Fairy Rinehart has the leading feminine role. Others in the cast are Burke Williams, Darrell Brandon, Cleoda Gray, and May Real. I thank you.

Eugene Hamilton—This is one of the rare occasions which could induce me to leave my laboratory. As yet, I have nothing definite to offer, but I hope in a short time to have calculated the amount of green cheese that could be contained in the moon.

Lawrence Sixt—I have just returned from a hunting expedition to the North Pole. Charles Callahan, Dale Carper, Wayne Cleveland, Robert Harreld and Chester Hedrick were my companions. We saw one or more reindeer and a bear, but due to the rapid settlement of the country, the hunting is becoming very poor.

Robert Duke—The townsfolk of our northern settlement have sent me to represent them at this, our reunion. Earl Carey is mayor of our little city. Robert Gemmill is our attorney-at-law and Donnave Myers is his secretary. Mary Alice Caldwell is our social leader. Mason Hamilton directs our band and Mrs. Hamilton, whom we formerly knew as Bernita Bole, is instructor of piano and vocal music. The ladies wear silk hose even in that cold country, as

Beatrice Davis' "Fine Hosiery" store will prove. We even have a poet in our midst, for Floyd King's poems and particularly his volume, "Cities of the North", are being read the world over.

Robert Newell—Well messmates, as the old sailors say, the M-Kat is on his last legs. This must be about his last life, but here he is. I've been slappin' up the big blowouts for Florenz. (It's remarkable how that old geezer's health sticks by him). Some o' the little ladies came with me this evening. There's little Merry Sunshine—Golda Garner, Emily Gould and Wilma Hendey trip the light fantastic. Berniece Robb, Wilma Bloom, Anna Holdren and Edith Lowder are here. And here's the little queen herself, Doris Rounds.

Virginia Coan—I have just completed a highly successful tour of Europe with my co-musicians Harriet Alderton and Ralph Blakemore, under the title of, "The Talented Trio."

John Flemming—I am the leading tenor with the Metropolitan Opera Company.

Minnie Bourke—I have been associated with Esther Livengood and Martha DuBois is writing a book called "Ettiquette for High School Girls." The famous lecturer, Nora Nall, is to give a series of lectures on this subject to the girls of Marion High School.

Richard Landgrave—I am a retired race-track driver. I made my money by winning a contest for the most reckless driver in the United States.

Harry Loop—I am editor of the, "Wide World Morning News". I have on my staff, among others, Clifford Hardy, Marguerite Jacob, Floyd Pierce, and Donnell Weaver.

Herbert Custer—I have traveled from Australia to be with you this evening. In my laboratory there I have invented many things. My best invention is an automatic appliance for removing gum from one's mouth to the waste basket. John Tegarden is manager of my factory for manufacturing this article, Mary Broughman is his secretary.

Robert Kuhnhein—Arthur Bollet, Frederick Brunka, Ralph Harreld and myself, have, as you know, just completed a non-stop flight around the world.

Jane Rhue—My dog laundry in Paris is the largest in the world. I employ several of our old classmates. Phil Hutchins washes all the poodle dogs; Ralph Isselhardt, the Great Danes; and Walter Carey, the Bull Dogs. Louise Modlin has charge of the combing and perfuming department, and Audra Mae Myers ties all the bows.

Russell Klinger—I have organized a team for picking potato bugs off tomato plants. We have made many trips and beaten the best teams in the world. In fact we are undisputed champions. Those on the team are Ladd Culbertson, Walter Arrol, Merrill Johnson and John Myers.

Opal Stuckey—My paintings are considered the best in the French Salon.

Tom Hardesty—I have been crowned King of Roumania and my wife, Miriam Bahr, has been crowned Queen. James Anderson is our Prime Minister. Brenda Pope is chief lady-in-waiting to the Queen, while Gladys Wilcox, J.

William Long, Forest LeFavour, Garland Hines and Mary Clarke, all play in our court orchestra.

William Coffman—I have a bakery here in Marion. My main product is doughnut holes which I sell to the cafeteria.

Robert Duncan—I am chief announcer for Station WOW. Some of our artists are Josephine Hardy, Margaret Bradbury, Virginia Bowers and Evelyn VanWinkle.

Agnes Hendricks—I have recently completed a Vergil Pony to be used by Vergil students.

Leroy Ragon—My band of circus acrobats and myself are to tour the villages of the African jungle. We will show the natives how to break in tigers and use them for horses. Those in the troop are Warren Lee, Russell Love, John Moore, Roy Shaneberger Richard Wyckoff and Everett Wysong.

Joe Hamilton—I have collected statistics about the Golf Bug. I find that 1,432 people have perished from the bite of that insect, 1,492,690 persons have gone insane and 3,941,598 have been injured for life. This brings to a conclusion these interesting reports. We will now proceed with the rest of the program.

A Wish

I dreamed a dream one day;
I made an idle wish.
Hope kindled it to fire
And fed the hungry flame.
No fuel is left for food;
All hope has fled.
The wish, which burned into my heart,
Remains—a living red.

—Bernice Jones

Farewell Seniors!

Farewell, dear Seniors!
Never more we'll be together—
Just as we are now.
Our paths must separate;
You'll go your way,
And I shall follow mine.

Four happy years!
Four years of work and play;
And I have made a friend; and you, a pal.
And though in different places we shall be,
At eventide when twilight softly falls,
In memory we shall be together still.

—Bernice Jones
